## A Cosy Feeling of Warmth

A cosy feeling of warmth inside me,  
Knowing that someone is there.

---

---

Friends who show they care.

Finishing work that time's been spent on,  
Never arriving home late.

---

---

Avoiding things I hate.

A purring cat asleep on my knee,  
Chocolate, jelly and cream.

---

---

A peacefully sleeping dream.

Swimming in the sea on holiday,  
Candy-floss, hot-dogs and rock.

---

---

Memories kept safe with a lock.
